President Nelson Friesen

President's Article for June, 2013

Thanks to all who attended the June meeting. We had a short and sweet meeting this month. Please refer to the minutes for details.

Just a reminder! Please attend all the other Corvette Car Shows that you can.

We have some great runs scheduled. It's time to get out and drive our Corvettes. Check out the Events article for details.

I want to re-emphasize our car show raffle. It's important that our raffle prizes are what someone will like to win. Please set a minimum price of \$25.00 per prize per member. Our members have always supplied good prizes, and this year we're putting even more of an emphasis on quality.

At the June meeting, Joyce passed around a sign-up sheet for potluck dishes for our BBQ. It will be passed around again at the August meeting or you can call and let us know what you'd like to bring.

Due to July 4th falling on the first Thursday of the month, we will not have a July meeting. For those that really need a July meeting, you may attend the car show meeting on June 25th or July 25th at 7:30 held at our V.P.'s house. Please let Rich know if you plan to attend. If not, see you all in August.

Minutes of the General Meeting held June 6, 2013
as reported by Joyce Friesen

President, Nelson Friesen, called the meeting to order at 7:36pm. He stated that Bob Anderson had put on a nice run to the horse races and jokingly asked if anyone came back winners. He remarked that the turn out from our club for Abel's All GM Show was not as all that great.

He said that signup sheets were being circulated at the meeting for pot luck dishes and setup help for August's pre-car show Raffle Barbecue.

Brian Enbom, reported that Rich Allen had submitted a budget forecast for the car show. The budget had been approved by the board and was available at the meeting for members review.

Nelson read the list of chairpersons and the respective car show responsibilities they volunteered to head. He asked that members consider which areas they could help.

Lee Doty said that he had attended the "Blues and Booze" car show at the Streets of Brentwood and felt they had a small attendance. Some discussion followed regarding the changes taking place in the routing and parking at the Streets of Brentwood.

Treasurer, Brian Enbom, reported on the club's bank balance at the end of May.

Events, Denise Zupan, reviewed all the events from the month of June until the end of the year.

June 30th – Shirts and Shades Run to Santa Cruz.

July – Tahoe Car Show and WSCC get together. Dick Realph said that WSCC was putting on a weekend event. There is no DBCC meeting in July.

August 4th – Grand Isle Mansion. A flyer is on the website.

August 10th – Raffle Barbecue. Nelson asked for help setting up 10am on Friday, August 9th. See the Events article for all events.

Publications, Susan Jones, announced that November's would be her last newsletter. She asked that members consider whether they would be interested in taking over the job of publications. If someone would like to do it, she would be glad to help them with it between now and November.

Member-at-Large, Calvin Jones, reported that plans for the inaugural haven't yet been finalized.

WSCC Rep, Dick Realph, stated that there would be a WSCC meeting this Saturday, June 8th, if anyone was going to Vette Magic in Sacramento.

Public Relations, Elaine Stark, had no report.

Quartermaster, Lowell Onstad, was absent.

National Corvette Museum Rep, David Harris, had stepped out of the room and was not available to give his report. Nelson reported that David is in communication with NCM to become our club's NCM Ambassador.

Webmaster, Ralph Cernera, reported that the website had renewed its domain name.

Gary Moreland reminded Ralph that this is the time to submit the website and the newsletter in to WSCC for judging.

Betty Silva, Sunshine, suggested that we read the Sunshine article in the newsletter for updates and thanked Elaine Stark for bringing the treats for this month's meeting.

Old Business: Brian Enbom reported that one of his tires also showed wear on the inside just as John Bento had reported last month. Dave Gatt suggested that the place that aligns the tires may be the problem. A discussion of tire alignment followed.

New Business: Bill Burdick mentioned that SCCA does autocross. John Bento remarked that he knew a track owner in Nevada for a possible convention site. Dick Realph stated that Santa Clara Corvettes had volunteered to do the WSCC Convention next year in Oregon again.

A motion to adjourn the meeting was made, seconded and approved. The meeting was adjourned at 8:13pm. Minutes were taken by Joyce Friesen

Meeting attendance: Dick and Bernie Realph, Calvin and Susan Jones, Lee Doty,
Gary Moreland, Nelson and Joyce Friesen, Mark and Denise Zupan,
Dave Gatt, , Butch Asbe, David Vercoe, John Bento, Rich and Patti Brunetto

**WSCC Rep
Dick Realph**

With summer comes lunch runs, tours and Car Shows. I realize that we are no longer much of a car show club but we need to make our presence known to promote OUR show. You don't have to be a fanatic, show and shine is a good way to enjoy the day. Get some friends and enjoy the day at the show than dinner or something. We want participants at our show and self promotion is the best way. Bernie and I intended to compete in show and shine this year, but my medication schedule makes it impossible until mid July. Call us with questions about shows as to venue, raffles and awards.

WSCC meeting in Sacramento:

All comp code changes were approved, and the "Summer Gathering" was discussed. We have a few cars attending and it sounds like a good event. Contact Denise or Elaine if you're thinking about going to maybe caravan. You all received your packet in the mail to sign up. Thanks to Dave Gatt for re-scheduling his run to help accommodate this.

Elaine has a reminder to all members that she will be contacting all of the area newspapers the first week of July to tell them about our car show. Also she is reminding members that your raffle prizes are due at the BBQ on August 10th. If you cannot attend, you may drop off your prizes.

Summer is here! Now is the time to update your Corvette wardrobe so you will have club clothing to wear on our upcoming runs and other events. I still have those great Corvette jackets that will be comfortable throughout the spring. They are beautiful with our club logo embroidered on the back.

The shirts made of the wonderful, comfortable, washable fabric are perfect for spring into summer. They come in great colors for both men and women and can be ordered with or without our club logo. I have hats too! Catalogs and samples are available at the meetings. Come see me!
