Me and The First Lady just got back from the Museum In Motion (MIM) tour. This was put on by the National Corvette Museum. It was a week long tour of the Pacific Coast HWY and wine country. Though the price was a little expensive, the tour was priceless. We also had another couple attend from our club, Tim and Karen Denham. Together we had a great fun week!

We started the tour in Seaside (next to Monterey) with 12 Corvettes and one rental car. A new carbon 65 from Maryland suffered a cracked rim and left their Corvette at a dealership for rim replacement and had to use a rental SUV for the entire tour, so they were known as the "Metal Car" throughout the entire tour.

Here are the highlights of where we went and what we toured:

- 17 Mile Drive in Pebble Beach (driving this with a line of Corvettes was on my bucket list)
- Canepa Car Collection
- Santa Cruz wharf
- Drove to Pacifica
- Seal Rock
- Golden Gate Viewpoint
- Fort Baker Viewpoint
- Fort Bragg
- Tour around Clear Lake
- Yountville
- Castello di Amorosa in Napa Valley
- Culinary Institute of America for a tour and lunch
- Tour and lunch at the Jelly Belly Factory
- Tour the Blackhawk Museum
- Tour the Winchester Mystery House
- Farwell dinner at the Marriott Courtyard Los Altos
- Joined the Santa Clara Corvettes Car Club "Corvette Spectacular" Car Show downtown Los Altos

I would have to say the best thing about this tour was the roads we drove on. We had some really twisty and pretty smooth routes to drive on. From Pacifica to Fort Bragg was a little to much of a good thing. The drivers were pretty beat by the end of the day. The next day on the tour around Clearlake, there were more very curvy roads and I got in a little to much shifting and broke my shifter. My car had to take a ride on the back of a flat bed tow truck to a Chevy dealership for repairs the next day. (Thanks Tim for helping me out so we did not have to miss out on the tours for that day).

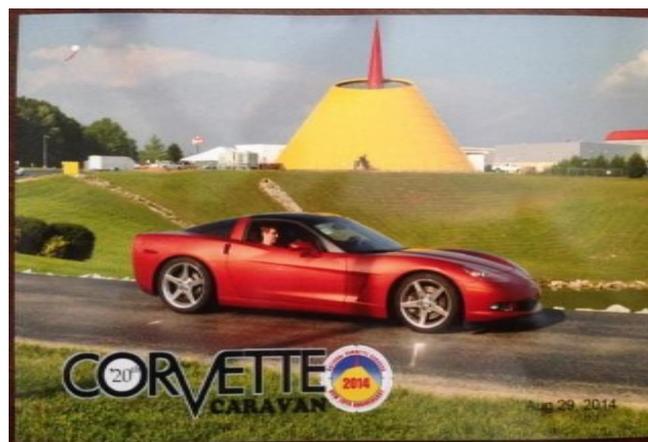

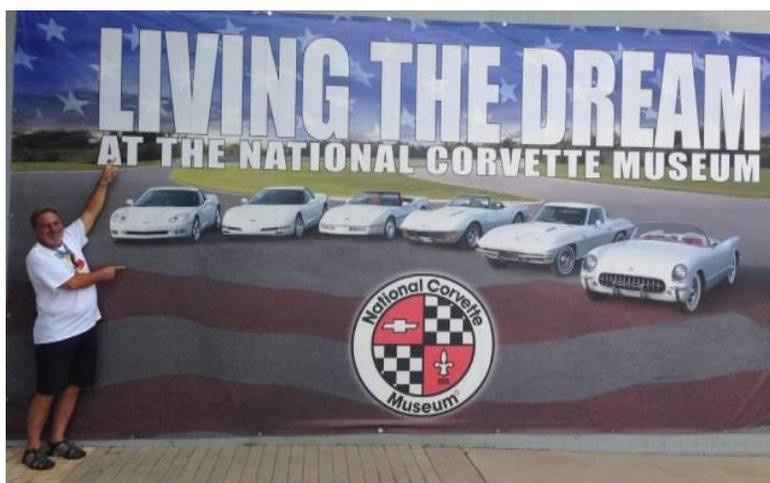

There were cars from Maryland, Pennsylvania, Minnesota, Idaho, Kentucky, Arizona and California.

While talking to our new friends from different states, none of them belonged to a Corvette club. I think we are very fortunate for having a local Corvette Club to belong to. We take for granted our friends, local outings and support from the Corvette community we have here, that others are not so lucky to have.

For future fun driving events go to: [www.corvettemuseum.org/event](http://www.corvettemuseum.org/event)  
That is also where you will find the information to the 2019 National Corvette Caravan.

Thursday evening registered attendees will be treated to a concert featuring Jefferson Starship. The concert will be held at the Museum's outdoor Amphitheater and will conclude with a fireworks show. The concert is included with registration.

Friday evening will be our annual Corvette Hall for Fame induction ceremony and banquet where we will welcome new members into the prestigious and elite group of recipients who have made significant contributions to the Corvette.

### Jefferson Starship to Headline Museum Anniversary Concert!

The 25th Anniversary Celebration and 6th National Corvette Caravan just got a little cooler as the event will officially kick off with a concert and fireworks show featuring Jefferson Starship on Thursday, August 29, 2019 at the Museum's Amphitheater.

Hits of the band include Miracles, Somebody to Love, Volunteers, Jane, White Rabbit, We Built This City and more. The band features original and historic members David Freiberg and drummer Donny Baldwin, along

with longtime members Chris Smith on keyboards and synth bass, Jude Gold on lead guitar and GRAMMY Nominee Cathy Richardson anchoring the female lead vocal spot made famous by the inimitable Grace Slick (who invited her to sing in her place as Jefferson Airplane accepted their Lifetime Achievement Award at the GRAMMY Merit Awards Concert).

The concert is included with 25th Anniversary event registration. No other ticket is needed for participants to attend.

Hi everyone!

I hope everyone has been doing well and driving their amazing corvettes.

I was just thinking about how the end of 2018 will soon be approaching us. It seems like this year has gone by too fast. Soon we will be participating in the Lighted Land Parade. It is always such a fun event! Will you be participating?

2019 is the year of the Corvette Caravan. I believe we have a few people from our club planning on participating in the Caravan. It is such a fun experience. It is also amazing to see all the different and unique corvettes from all over the United States. So think about joining this great experience. Online registration is now open.

See you soon,
